

United Nations  
Office for South-South Cooperation

# United Nations Fund for South-South Cooperation Triangular Cooperation Window

## Purpose

The Triangular Cooperation Window within the United Nations Fund for South-South Cooperation will mobilize **diverse sources of expertise, knowledge, and resources** to support the acceleration of SDGs, through support to **South-South and triangular initiatives** on the ground.

## Triangular Cooperation Window

- Serves as a **demand-driven, inclusive, and dynamic and flexible partnership** platform
- Built on solid **UN procedures** for transparency, accountability, and effective resource management
- Offers **flexible operational scenarios**
- Allows for **different programming options**

## Six Key Transition/Investment Pathways

 <b>Food Systems</b>	 <b>Energy Access and Affordability</b>
 <b>Digital Connectivity</b>	 <b>Education</b>
 <b>Jobs and Social Protection</b>	 <b>Climate Action</b>

Source: [unsdg.un.org](https://unsdg.un.org)

Triangular Cooperation Window integrates cross-cutting themes like gender equality and youth empowerment, ensuring inclusivity in all initiatives and responding to the Pact for Future.

## Operations

- Inclusive Governance Mechanism  
(Strategic Advisory Group, Programme Steering Committee)
- Project Sourcing and Design (Co-creation among partners)
- Implementation Support by UN agencies
- Monitoring and Evaluation
- Knowledge Sharing platforms
- Resource Mobilization

## Programming Options

Operational Modalities	Resource Envelope	Programming Options
<b>Seed Funding</b>	\$100,000 to <\$500,000	- Trainings, document good practices, advocacy, feasibility studies/testing.
<b>Funding of a Pilot Initiative</b>	\$500,000 to <\$1 million	- Pilot project focused on technical cooperation with physical inputs to enable uptake of a Southern solution in 1 or 2 other developing countries. - Joint system co-production, physical inputs, and training for adoption.
<b>Multi-country Project</b>	\$1 million to \$5 million	- 1 to 5 TrC projects supporting technology and knowledge transfer for sub-regions or cross-regional approaches. - Collective responses to cross-border challenges.
<b>Project Portfolio</b>	>\$5 million	- Portfolio approach through calls for proposals or competitive invitations for TrC projects. - Demand-driven prioritization focusing on thematic, SDG-related, partnerships, and regional diversity.

A platform to experimentation, co-decision-making, and scaling-up of results and Triangular initiatives through financing.
