INVITATION TO A CROSS-REGIONAL DIALOGUE

“Solidarity in Action: Accelerating Progress on the Sustainable Development Goals through South-South and triangular cooperation”

Cross-regional dialogue on regional integration and cooperation trends

23 October 2025 | 9:00 – 10:30 AM EDT

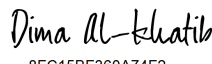

Contribution to the Celebration of United Nations Day

Hybrid: Conference Room 1521, UN Secretariat Building | [Online](#)

As we mark the 80th anniversary of the United Nations and the 70th anniversary of the Bandung Conference, we celebrate the fundamental role of cooperation that is founded on solidarity in building a peaceful, inclusive and sustainable future. South-South and triangular cooperation (SS & TrC) is increasingly recognized as a living expression of solidarity and a powerful driver of shared progress.

Cooperation at the regional and subregional level is holding steady in the midst of uncertainties, declining official development assistance (ODA), and evolving geo-political landscapes. Regional and subregional cooperation remain critical building blocks of multilateralism that brings countries together to address transboundary challenges and to advance shared priorities.

This dialogue comes at a critical juncture and presents a timely space for regional entities and South-South and triangulation cooperation champions to reflect on regional integration and cooperation trends and to jointly identify practical pathways to accelerate SDG progress across and within regions. We look forward to your engagement in this exchange and to closer collaboration ahead, particularly around the priorities that will emerge from the dialogue.
